the first time in the history of the world  
that the people of the United States have  
been compelled to go to war with their  
neighbors, and that they have done so  
in the cause of justice and right. We  
have been compelled to do this because  
of the repeated aggressions of the  
Mexican Government against our  
countrymen, and because we have  
been unable to obtain redress by  
any other means. We have done  
all that we could to avoid war,
